1. Introduction

- 1.1. Ormiston Academies Trust (referred to herein as “OAT”) was established in 2009.
- 1.2. OAT is a company limited by guarantee, an exempt charity and a public body regulated by the Secretary of State for Education, who acts as principal regulator.
- 1.3. OAT is a multi-academy trust capable of operating and maintaining a number of academies (each an “academy” and together the “academies”).
- 1.4. OAT’s constitution and its charitable objective is set out in its Memorandum and Articles of Association (“Articles”).
- 1.5. The OAT Board is mindful that it has an overriding responsibility to ensure that all statutory obligations to our pupils, parents, the Department for Education and the Education and Skills Funding Agency are met.
- 1.6. The OAT Board of Trustees has an overriding duty to act freely and in the best interest of OAT and the academies at all times.
- 1.7. The purpose of this scheme of delegation is to provide operating clarity as to the roles, responsibilities and authority of those who contribute to the governance and oversight of the academies and OAT itself. The Scheme of Delegation is subsidiary to the Articles, the Funding Agreement (s) and all schools/ academies legislation.
- 1.8. The Scheme of Delegation acts as a framework within which Trustees, executives and central teams, regional teams, principals and local governing bodies can make decisions to meet the needs of pupils and where appropriate the wider community.
- 1.9. The Trustees reserve the right to review the and amend this Scheme of Delegation at any time. It will be formally reviewed once a year. In so far as they are able, they will consult with those affected by any significant changes.

2. Vision, purpose and values

2.1. Vision

- 2.1.1. Our vision is for all young people to have the highest academic, social and practical skills to allow them to lead a fulfilling life. We are determined to become the Trust that makes the biggest difference, both inside and outside the classroom.
- 2.1.2. OAT academies share the Ormiston Academies Trust ethos of ensuring every child reaches their full potential; being aspirational and committed to academic excellence and being supportive yet courageous in our approach. The principles that lead to the success of our academies are not complicated:

- It's about courage – addressing the challenge where it's not being addressed.
- It's about aspiration – no 'can't' or 'won't'. There is no place for excuses when a child's future is at stake.
- It's about culture – insistence on the highest standards of performance and behaviour, without exception.
- That goes for teachers and students.
- It's about great leadership and finding the best teachers.

2.1.3. To achieve our vision, we aim to create outstanding, non-selective local academies, which give young people from all backgrounds the opportunity to succeed, build on their strengths and share their skills to make things better.

2.2. Purpose

2.2.1. When we think about what kind of difference we want to make, this is defined by our three core purposes. Everything we do should be ultimately focused on doing these three things well:

- **Teach:** We will teach all our pupils the knowledge and skills they are entitled to, and how to apply this in how they think and work.
- **Develop:** We will develop all our pupils socially and emotionally so that they can make good choices about education and life.
- **Change:** We will aim to understand what is needed for any pupil to excel, so we can create schools where no one is disadvantaged.

2.3. Values

2.3.1. Our work is informed by the following values:

- **Anyone can excel:** supporting young people to fulfil their individual potential.
- **Be inclusive:** responding to the individual needs of all students, whatever their background or ability.
- **Enjoy the challenge:** stimulating curiosity and making learning fun.
- **Share what is best:** working in partnership to address local needs and build support for education

3. Accountability: governance and management structures

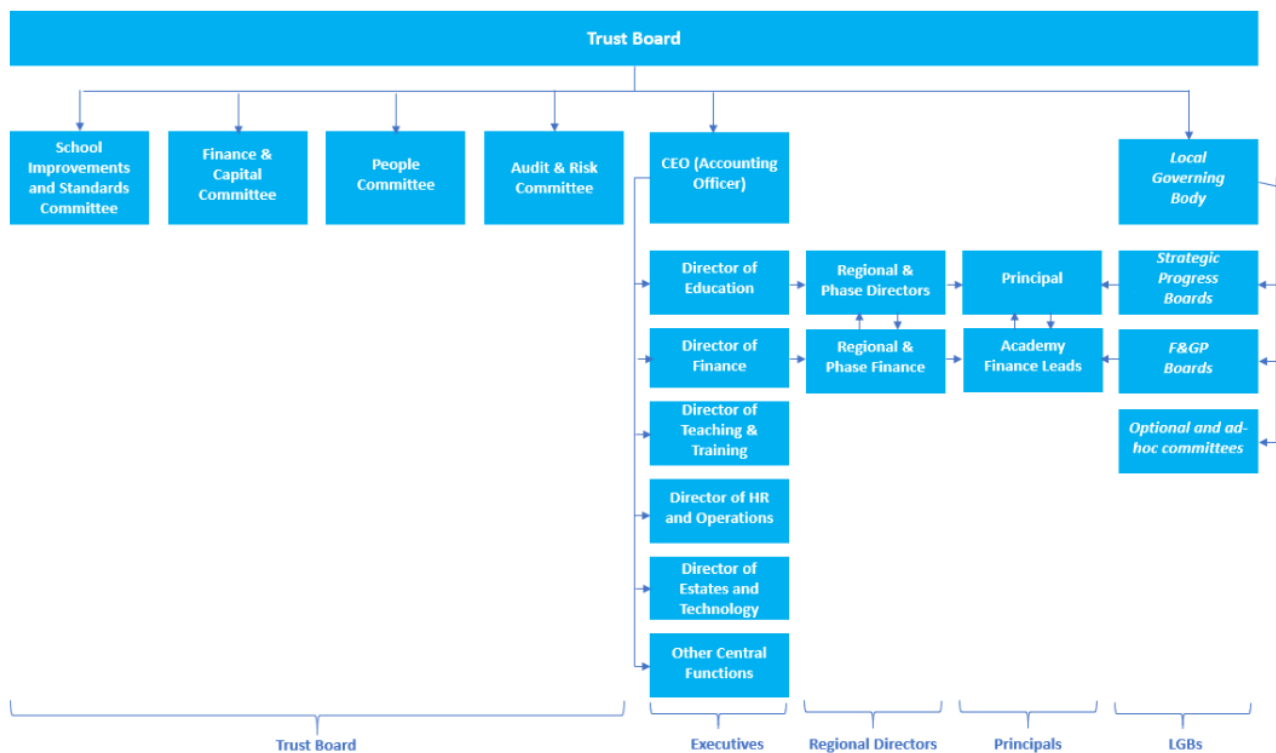

3.1. **Overall Structure:** OAT is a company limited by guarantee. It has no shareholders. The highest tier of oversight is provided by the “**Members**” who, through general meetings, are the guardians of OAT, its purpose and welfare. As “**Members**”, each member has limited liability, accountability, governance and no day to day management responsibilities.

3.2. The next tier of oversight is provided by the “**Trustees**”. Trustees are appointed by the members to whom they report. They are trustees for charity law purposes and also company Trustees are appointed

directors registered with Companies House. The Trustees are personally responsible for the actions of OAT and the academies and are accountable to the members, the Secretary of State for Education and the wider community for the quality of the education received by all pupils of the academies and the expenditure of public money. In accordance with the Funding Agreement(s), Trustees are required to have systems in place which they can assure themselves of the quality, safety and good practice of the affairs of OAT. The trustees meet as a Board of Trustees, generally known as the “**Trust Board**”. All Trustees have the same responsibility to act in the best interests of OAT and the academies, irrespective of any other role that they may undertake within OAT or the academies.

3.3. The Trust Board will oversee the management and administration of OAT and the academies run by OAT and herein delegates authority and responsibility to others.

3.4. The main delegation will be:

- to “**Trust Board Committees**” or “**Working Groups**” of the Trust Board, who will act either in a permanent capacity or a temporary capacity where the terms of delegation will be determined by the Trust Board at least annually.
- to a “**Local Governing Body**” for each academy to undertake elements of the Trustee Board’s role of strategic direction and oversight at a local level. Each local governing body is accountable to the Trust Board in relation to any matter delegated to it. The duties, responsibilities and authorities of each local

governing body are generally consistent and in line with those outlined in the Decision-Making Framework and LGB Terms of Reference.

- to the “**Chief Executive Officer**”, who will be responsible for the day to day management of the Trust and the academies. The Chief Executive Officer will be appointed by the Trust Board and report directly to it.
- to the “**Executive Team**” which is the executive management arm of the Trust, focusing on the education performance and operations of the academies. The Executive Team operate under the leadership and direction of the CEO, who is by virtue of position a Trustee of the Trust. The Executive Team work directly with the staff in each academy and the local governing body to ensure that the required outcomes are achieved in accordance with the direction of vision of the Trust Board. The “Executive” Team includes the Chief Executive Officer, National Director of Education, National Director of Finance, National Director of Teaching and Training, National Director of HR and Operations, National Director of Estates and Technology
- to the “**Regional or Phase Director**”, “**Executive Principal**” and “**Principal**” through the formal delegation of powers from the Trust Board through the executive team. The operation of each academy will be managed by a principal. The duties, responsibilities and authorities of a principal may vary between academies as determined by the Chief Executive Officer in consultation with the Trust Board. A principal will report directly to a regional or phase director who, in turn, report directly to the Director of Education.

3.5. The Decision-Making Framework provides clarity as to who the decision makers are for different levels of decisions. Effectiveness of both management and governance is supported through clarity over who holds the decision-making responsibility and accountability and who supports and advises the decision makers.

4. The role of the Members

4.1. The role of the Members is laid out in the Articles and in company law. The members role is that of guardians of the constitution, ensuring the charitable objective is fulfilled and to conduct the oversight of the Trust Board. - to exercise either a direct power under the Articles of Association or a statutory power;
- under the Companies Act 2006 to appoint and remove Trustees (noting any powers delegated by the members to the Trust Board to make such appointments and removals.).

4.3. The Academies Financial Handbook recommends that a majority of members should be independent of the Board of Trustees, to ensure a significant degree of separation between the individuals who are members and those who are directors. Distinction between the two layers ensures that members, independent of trustees, provide oversight and challenge.

4.4. OAT's members currently are:

Any removal by the Trust Board of a Trustee appointed or ratified by the members can only be undertaken by majority vote in general meetings or by written resolution of a majority of members.

4.7. **Ormiston Trust - principal sponsor and member.** Ormiston Trust OAT's sponsor Trust is a charity and grant-making trust dedicated to improving the life chances of children and young people who face disadvantage. Ormiston Trust and those appointed by Ormiston Trust as members have responsibility for the constitution. Ormiston Trust (OT) was founded by Peter Murray in 1969 in memory of his sister Fiona Ormiston Murray.
